Accordingly, the parties shall file a further Status Report by OCTOBER 6, 2017, updating the Court regarding the status of these discussions, and indicating how the parties intend to proceed. 10/13/2017		MINUTE ORDER: The Court is in receipt of the parties' <u>22</u> Joint Status Report. Therein, Plaintiff requests a case management conference to discuss "next steps" in this action under the Freedom of Information Act. That request is denied as premature. Rather, the parties shall file a further Joint Status Report by NOVEMBER 17, 2017, updating the Court on their progress in reaching a negotiated resolution of this matter. To the extent a negotiated resolution is not forthcoming, the parties shall describe the nature of their dispute, in detail (i.e., addressing what data is available and what Plaintiff is requesting), and shall provide the Court with a proposal for how the dispute should resolved, and a proposed schedule. 12/20/2017		MINUTE ORDER: The Court is in receipt of the parties' <u>23</u> Joint Status Report. Therein, the parties describe their attempts to resolve a specific issue with material withheld by Defendant. Plaintiff renews its request for "a case management conference to discuss this issue and set a case schedule." Defendant seeks additional time to "consider[] other alternatives" and is open to presenting its proposals "either at a status conference set by the Court or in a later joint status report." Accordingly, the Court finds that the request for a status conference remains premature. Rather, the parties shall file a further Joint Status Report by JANUARY 5, 2018 , updating the Court on Defendant's alternative proposals, if any, for how the dispute should be resolved, and proposing a schedule for any briefing in this case. Signed by Judge Colleen Kollar-Kotelly on December 20, 2017. (lcckk1) (Entered: 12/20/2017)

02/12/2018		MINUTE ORDER: The Court is in receipt of the parties' <u>25</u> Joint Status Report, which indicates that, in response to Defendant's sample screenprints and accompanying spreadsheet, Plaintiff has made certain further requests to Defendant. The parties shall file a further Joint Status Report by FEBRUARY 20, 2018 , updating the Court regarding Defendant's response to Plaintiff's requests. Signed by Judge Colleen Kollar-Kotelly on February 12, 2018. (lcckk1) (Entered: 02/12/2018)

03/16/2018		MINUTE ORDER: The Court is in receipt of the parties' <u>26</u> Joint Status Report, which sets forth the parties' agreement to Defendant's production of certain information in response to Plaintiff's further requests. The parties shall file a further Joint Status Report by APRIL 23, 2018 , identifying all issues that have been resolved, identifying any remaining issues for litigation, and proposing a schedule for any briefing in this case. 04/23/2018	<u>27</u>	Joint STATUS REPORT by INSTITUTE FOR JUSTICE. (Muino, Daniel) (Entered: 04/23/2018)
05/03/2018		MINUTE ORDER: The Court is in receipt of the parties' <u>27</u> Joint Status Report, which sets forth the parties' divergent views as to the most efficient method for proceeding. Plaintiff appears to hurry a process for which Defendant has proposed a seemingly reasonable timeline. The Court agrees with Defendant that establishment of a briefing schedule at this time would be premature. The Court hereby orders Defendant to provide its written responses to the twenty-six fields that Plaintiff disputes being exempt under FOIA, as well as the manuals requested by Plaintiff, by MAY 11, 2018 , as Defendant indicates it expects to do. The parties shall file a further Joint Status Report by MAY 23, 2018 , identifying all issues that have been resolved, identifying any remaining issues for litigation, and proposing a schedule for further proceedings in this case. Signed by Judge Colleen Kollar-Kotelly on May 3, 2018. (lcckk1) (Entered: 05/03/2018)

05/23/2018	<u>28</u>	Joint STATUS REPORT by INSTITUTE FOR JUSTICE. (Muino, Daniel) (Entered: 05/23/2018)
06/13/2018		MINUTE ORDER: The Court is in receipt of the parties' <u>28</u> Joint Status Report, which sets forth the parties' divergent views as to the most efficient method for proceeding. The Court agrees with Defendant that establishment of a briefing schedule at this time would be premature based on recent meet-and-confer discussions illustrating an ongoing process of responding to Plaintiff's latest request. It appears, however, that any remaining production can be completed in the short term and that this matter should move to summary judgment briefing if the parties genuinely cannot resolve their differences. If it has not already, Defendant shall complete its production of non-exempt data and provide any further descriptions of disputed data fields by JULY 6, 2018 . The parties shall file a further Joint Status Report by JULY 18, 2018 , identifying all issues that have been resolved, identifying any remaining issues for litigation, and proposing a schedule for further proceedings in this case. Signed by Judge Colleen Kollar-Kotelly on June 12, 2018. (lcckk1) (Entered: 06/13/2018)

06/29/2018	<u>29</u>	MOTION for Extension of Time to <i>Release Records</i> by U.S. CUSTOMS AND BORDER PROTECTION (Walker, Johnny) (Entered: 06/29/2018)
07/03/2018		MINUTE ORDER: The Court is in receipt of Defendant's <u>29</u> Motion for an Extension of Time to Release Records, which seeks to "briefly" vacate the July 6, 2018, deadline for the production that the Court ordered in its Minute Order of June 13, 2018. Defendant wants to adjust the deadline for production due to ongoing negotiations with Plaintiff about the scope of the database pull that Defendant will perform. Plaintiff withheld consent to this motion for lack of Defendant's commitment to a firm deadline for the production of "indisputably nonexempt" information. But in light of Defendant's representation that ongoing negotiations render Defendant unable at this time to propose a revised deadline, the Court shall GRANT Defendant's motion, for good cause shown, and VACATE the production deadline for the time being. The parties shall submit a Joint Status Report by JULY 20, 2018 , proposing a revised deadline for production to which Defendant shall commit to adhere. Signed by Judge

07/20/2018	<u>30</u>	Joint STATUS REPORT by U.S. CUSTOMS AND BORDER PROTECTION. (Walker, Johnny) (Entered: 07/20/2018)
08/02/2018		MINUTE ORDER: The Court is in receipt of the parties' <u>30</u> Joint Status Report, in which Defendant conditionally commits to produce the data at issue by November 20, 2018. Both parties indicate a willingness to continue negotiating regarding exemptions and other issues. In light of the forthcoming dates that Defendant has identified, the Court adopts Plaintiff's proposal that the parties file a further Joint Status Report by AUGUST 10, 2018 . This Joint Status Report shall identify all issues that have been resolved and further justify the parties' proposal(s) for how long the pull and production of data should require. Signed by Judge Colleen Kollar-Kotelly on August 2, 2018. (lcckk1) (Entered: 08/02/2018)
08/02/2018		Set/Reset Deadlines: Joint Status Report due by 8/10/2018, identifying all issues that have been resolved and further justify the parties' proposal(s) for how long the pull and production of data should require. (dot) (Entered: 08/02/2018)
08/10/2018	<u>31</u>	Joint STATUS REPORT by INSTITUTE FOR JUSTICE. (Muino, Daniel) (Entered: 08/10/2018)
08/15/2018		MINUTE ORDER: The Court is in receipt of the parties' <u>31</u> Joint Status Report. As of filing, Defendant was continuing to prepare a sample data pull in order to efficiently facilitate the completion of production by November 20, 2018, conditional on agreeing certain terms with Plaintiff. Defendant justifies the timeline based on the magnitude of Plaintiff's data request, as well as the difficulty of preparing a "decipherable" production of data that has proven technically challenging to export. Notwithstanding Plaintiff's frustration with the rate of progress, the Court finds that Defendant's approach appears to be the most efficient method of completing production. The Court declines at this time to establish a briefing schedule applicable to only a portion of the anticipated production. The parties shall file a further Joint Status Report by AUGUST 29, 2018 , identifying Defendant's progress towards the November 20, 2018, deadline and the parties' progress in negotiating terms to make production by that date achievable. 09/04/2018		MINUTE ORDER: The Court is in receipt of the parties' <u>32</u> Joint Status Report. As of filing, Defendant was continuing to prepare a sample data pull in order to efficiently facilitate the completion of production by November 20, 2018, conditioned on agreeing to certain terms with Plaintiff. Defendant has continued to face challenges in preparing data for export but has been allocating resources to address these challenges. Defendant now anticipates finalizing a sample for Plaintiff's review by September 10, 2018. Notwithstanding Plaintiff's frustration with the rate of progress, the Court shall not order firm deadlines for the sample production, completion of the data pull, or completion of the final production, where the Court's order may short-circuit an approach that Defendant credibly justifies. The parties shall file a further Joint Status Report by SEPTEMBER 25, 2018 , updating the Court regarding the status of the sample data pull, the full data pull, and other progress towards the anticipated final production of data by November 20, 2018. Signed by Judge Colleen Kollar-Kotelly on September 4, 2018. (lcckk1) (Entered: 09/04/2018)
09/04/2018		Set/Reset Deadlines: Joint Status Report due by 9/25/2018, updating the Court regarding the status of the sample data pull, the full data pull, and other progress towards the anticipated final production of data. (dot) (Entered: 09/06/2018)

10/11/2018		MINUTE ORDER: The Court is in receipt of the parties' <u>33</u> Joint Status Report, which indicates that Defendant produced the sample data pull contemplated in the Court's Minute Order of September 4, 2018, and that Plaintiff found the format to be acceptable. Defendant continues to work towards completing the full data pull by November 20, 2018. The parties shall meet and confer regarding remaining issues in an attempt to ensure that such full data pull resolves this matter to the extent possible. The parties shall file a further Joint Status Report by OCTOBER 25, 2018 , regarding the results of their discussion and an update on the status of Defendant's data collection. The parties shall file a further Joint Status Report by NOVEMBER 28, 2018 , regarding the status of Defendant's data collection and production. 12/04/2018		MINUTE ORDER: The Court is in receipt of the parties' <u>35</u> Joint Status Report, which indicates that Defendant made a production on November 20, 2018. Plaintiff claims that some data is missing or redacted, an issue which Defendant signals it is willing to address once Plaintiff provides further information. Plaintiff also claims that the production did not include certain interpretive aids. Defendant responds that it has provided many such aids already despite allegedly lacking an obligation under FOIA to do so. Because the parties evidently have not been conferring, the Court instructs the parties to confer and to file a further Joint Status Report by JANUARY 4, 2019 , updating the Court regarding the parties' attempts to narrow or resolve remaining issues. That Report shall include a joint proposed schedule for briefing or other method of proceeding if the parties are not able to fully resolve remaining issues. The Report also shall indicate whether, in the parties' view, a telephone conference would facilitate the resolution of such remaining issues. 02/11/2019		MINUTE ORDER: The Court has received the parties' <u>38</u> Joint Status Report, which indicates that the parties have continued to exchange questions and responses regarding remaining issues. They propose filing one further Joint Status Report before briefing remaining issues on their proposed schedule. The Court finds that it is premature to enter a briefing schedule while the parties are still engaged in discussions and are planning to file a further Joint Status Report. Accordingly, the Court shall refrain from entering a briefing schedule at this time. By FEBRUARY 22, 2019 , the parties shall file a further Joint Status Report updating the Court regarding the parties' attempts to narrow or resolve remaining issues, and proposing a briefing schedule, if necessary. The Report also shall indicate whether, in the parties' view, a telephone conference would facilitate the resolution of any lingering issues. 04/23/2019		MINUTE ORDER: The Court has received Defendant's <u>43</u> Motion for an Extension of Time, with respect to the deadline for Defendant's response to Plaintiff's <u>42</u> Motion for Summary Judgment, as well as Defendant's cross-motion for summary judgment.

		Defense counsel indicates that finalization of a declaration requires further time for agency counsel to confer with a subject matter expert who is presently unavailable. Although Defendant attempted to confer with Plaintiff prior to filing this request for extension, Plaintiff evidently did not respond in time. Nevertheless, for good cause shown, the Court shall GRANT Defendant's <u>43</u> Motion for an Extension of Time. The Court's <u>41</u> Scheduling and Procedures Order shall be amended as follows: Defendant shall file its response to Plaintiff's <u>42</u> Motion for Summary Judgment, as well as Defendant's cross-motion, by no later than MAY 10, 2019 ; Plaintiff shall file its reply in support of its <u>42</u> Motion for Summary Judgment, as well as its response to Defendant's cross-motion, by no later than MAY 24, 2019 ; and Defendant shall file its reply in support of its cross-motion by no later than JUNE 7, 2019 . 05/08/2019		MINUTE ORDER: The Court has received Defendant's <u>44</u> Motion for an Extension of Time, with respect to the deadline for Defendant's response to Plaintiff's <u>42</u> Motion for Summary Judgment, as well as Defendant's cross-motion for summary judgment. Although this is the second time that Defendant has requested an extension of this deadline, the current premise is that Defendant has proposed to Plaintiff a potential way to resolve the pending motion without further litigation. The Court understands that Plaintiff either opposes this request or has not yet taken a position. Nevertheless, in order to permit the parties further time to discuss a potential resolution of Plaintiff's <u>42</u> Motion for Summary Judgment, the Court shall GRANT Defendant's <u>44</u> Motion for an Extension of Time, for good cause shown. The Court's <u>41</u> Scheduling and Procedures Order shall be further amended as follows: Defendant shall file its response to Plaintiff's <u>42</u> Motion for Summary Judgment, as well as Defendant's cross-motion, by no later than MAY 17, 2019 ; Plaintiff shall file its reply in support of its <u>42</u> Motion for Summary Judgment, as well as its response to Defendant's cross-motion, by no later than MAY 31, 2019 ; and Defendant shall file its reply in support of its cross-motion by no later than JUNE 14, 2019 . Defendant acknowledges the tardiness of its request pursuant to Paragraph 2(a) of the Court's <u>41</u> Scheduling and Procedures Order. Furthermore, this is the third time that Defendant has requested an extension of this deadline. Nevertheless, the parties are "in the process of discussing the possibility of resolving a substantial part of the issues being briefed on summary judgment, but require additional time to exchange information and determine whether a resolution is feasible." Accordingly, with Plaintiff's consent and in order to permit the parties further time to discuss a potential resolution of Plaintiff's <u>42</u> Motion for Summary Judgment, the Court shall GRANT Defendant's <u>45</u> Consent Motion for an Extension of Time, for good cause shown. The Court's <u>41</u> Scheduling and Procedures Order shall be further amended as follows: Defendant shall file its response to Plaintiff's <u>42</u> Motion for Summary Judgment, as

06/07/2019		MINUTE ORDER: The Court has received the parties' <u>46</u> Joint Motion to Vacate the Briefing Schedule and to Stay Proceedings. The parties indicate that, <i>inter alia</i> , they "have reached an agreement to resolve the issues currently being briefed on summary judgment." In short, Defendant "has agreed to provide certain information to [Plaintiff] in exchange for [Plaintiff's] agreement not to further pursue the remaining issues being briefed." Accordingly, the Court shall GRANT the parties' <u>46</u> Joint Motion. The Court shall VACATE the briefing schedule set forth in its Minute Order of May 17, 2019. The Court shall STAY this matter until JULY 19, 2019 . The parties shall file a Joint Status Report by no later than JULY 19, 2019 , proposing a schedule for any remaining proceedings or a stipulation of dismissal. The parties expect to file a stipulation of dismissal "[o]nce [Defendant] provides the information responsive to [Plaintiff's] request of July 18, 2019," thereby resolving "all issues in this matter."
